# 57<sup>TH</sup> EDITION

for Inspirational Sourcing

## India's fascinating craftsmanship, gorgeous details, stunning effects and more

This edition showcases home textiles and furnishing featuring sustainable lines, contemporary styles, regional nuances and zealously practiced weaving traditions of India. Stunning blend of unique handloom, power loom and manmade fibers to natural organics, dyeing & printing, embroidery & hand painting and many design led crafts offer plenty of choice. Carpets, rugs and flooring manufactured in more than 12 craft clusters in over 8 states of India, flaunt colour, design and construction. Furniture and garden & outdoor products offer gorgeous details and stunning effects. Captivating compositions spell grandeur in Indian bathroom accessories, offering a blend of the old and new, sheer opulence, rustic ethnic and stylish contemporary for home baths, spas, resorts and hotels. Lamps & lighting embrace many trends. Among festive décor, expressions of art and cultural influences usher in the celebratory spirit with an effervescent line up in core decoration collections, affluent décor ideas, gifting as well as packaging. In houseware, gifts & decoratives, an extensive mix of customised and innovative decoratives and collectibles appear alongside an eclectic range in modern, directional and unusual medium to high-end lines that emphasise material, design and value addition in home accents, knick knacks as well as utilities.
